You open wide your hand, O Lord,
and grant our desires

Thought for the week:

There is only one time that is important -
NOW! It is the most important time because
it is the only time that we have any power.

Leo Tolstoy

A person's true character is revealed by what
he does when no one is watching.

Service to others is the rent we pay for our
room on the planet and I would like to be a
good tenant.
